

East on Central celebrates the 50th Anniversary of The Art Center

Join us as we salute The Art Center with our newest volume of poetry, prose and visual art from the community. There will be readings and art displays, food and drink, music and great conversation.

The new edition of the journal will be on sale, with special bulk prices for our contributors. Don't miss our SILENT AUCTION fund raiser, to help keep the price of our beautiful journal at a low \$10.
